

WE NEED YOU!

We are holding a community wide litter picking event 3-5 March 2017 to support the Great British Spring Clean!

Chichester District Council and Southbourne Parish Council are working on the finer details. Sarah Hughes (Community Wildlife Officer) has already arranged for us to borrow picker sticks, lovely Hi Vis safety vests and LOTS of bags. (We ask that you supply your own tough/sturdy gloves) On the 4 March, members of the Southbourne Environment Group will be stationed at various gathering points from 10am to lead the way and help out. Equipment will be available for collection on the 3rd, so you can choose whichever day suits you...RAIN OR SHINE!

Gather your neighbours and adopt your road or area. Dog Walkers and Footpath people you can help as well in those areas less travelled. And can also report damage/fly tipping etc. to help the Footpath Monitoring Group. Hopefully we will have a wide area covered by lots of lovely people from Hermitage to Nutbourne and everywhere in-between! Please contact Amanda Tait (Communications on amandasnp@gmail.com) and I will gladly sign you up, find out which areas you want to cover, and give the details on where to collect the equipment/leave the bags for collection etc. Further details can be found on our Facebook Page Southbourne Environment Group.
